

We installed several locker boxes in our foyer for local pick up. You can submit your order through the website and select **Pick up - Locker Box** as your Shipping Method. The room is heated; therefore you can order both fish and plants. However, please specify when you are coming to pick up if you are ordering perishable items. The room will be open from 9 am to 9 pm. When your order is ready for pick up, we will email you the location of your order together with the access code for the lock.
